

**Perodua Myvi - second in 1.3 litre car sales in South Tipperary**

# Perodua Myvi is second in 1.3 litre cars in South Tipperary

Statistics supplied by Data Services at the Department of the Environment in Shannon show the Perodua Myvi to be the second highest 1.3 litre new car licensed in South Tipperary during the months of January and February of this year.

Perodua are the very latest addition to the Irish car sales market and Clonmel based company, Central Garage, are the exclusive Distributors for Ireland.

The Ford Fiesta was in first place, with the Perodua Myvi nudging out the Opel Corsa into third place and the Nissan Micra into fourth.

Managing Director of Central Garage, Eddie O'Brien, said - "I am delighted with the success of the brand and, as this is our 40th year in business in Clonmel, the success of the Perodua Myvi represents a great birthday present for our company".
